MEMORANDUM FOR: Executive Secretary, EIC/ORR
 ATTENTION : [REDACTED]
 SUBJECT : Publication of Details of Exports from the
 United States

- 25X1C
1. Confirming our telephone conversation, I am advised by the Director of Logistics that no exports are made in the name of the Agency, and, therefore, would not be compromised by the proposed publication. However, in view of the fact that the more detailed the information, the less danger of compromise.
 2. We would, therefore, recommend taking a position that the statistics should not be released.
